

G1 − ultimo segmento temporal
Linea vertical: ventana final de 10 s
Linea roja: media terminal
Grafico reducido; calculos con todas las muestras
No se interpolan huecos.

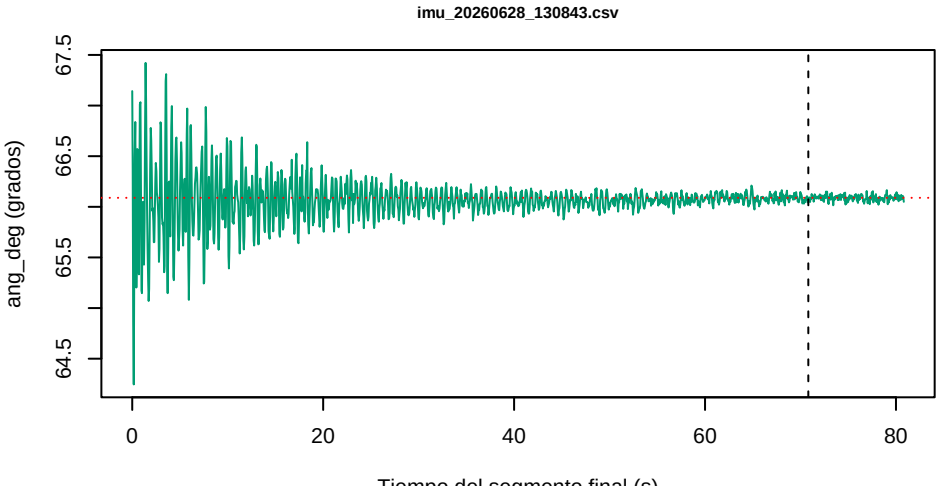

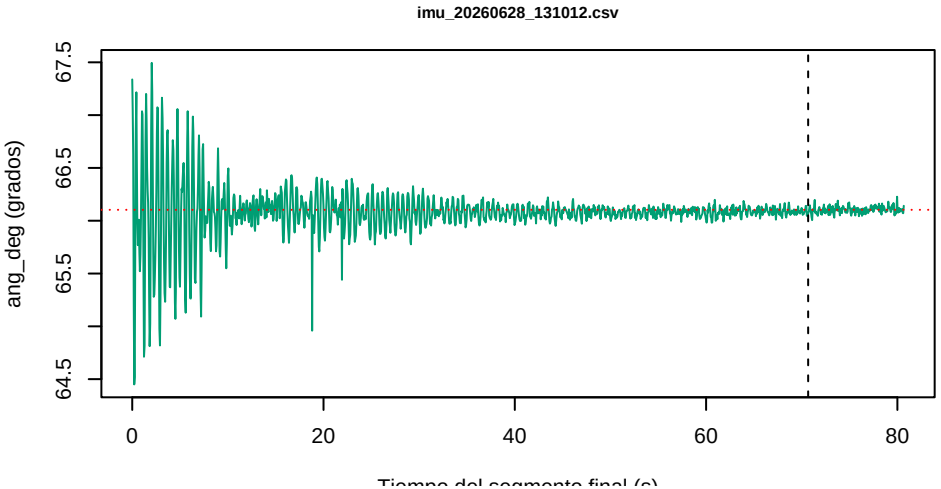

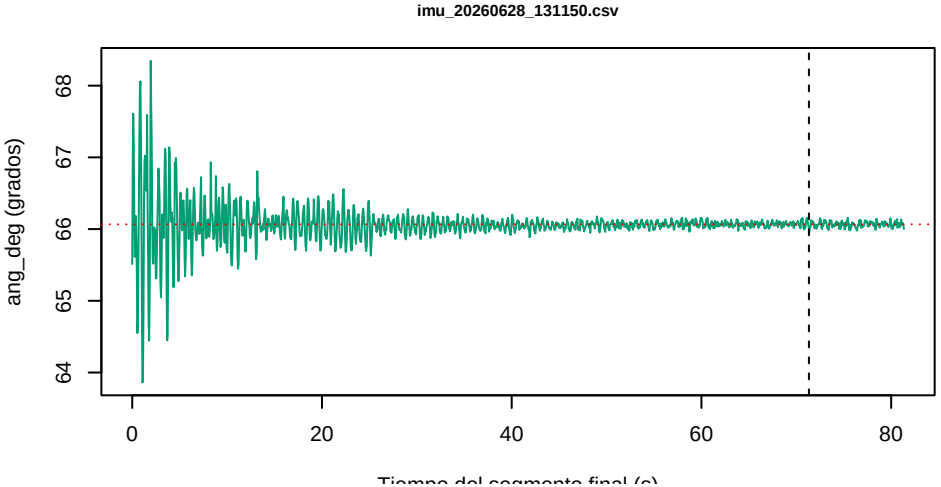

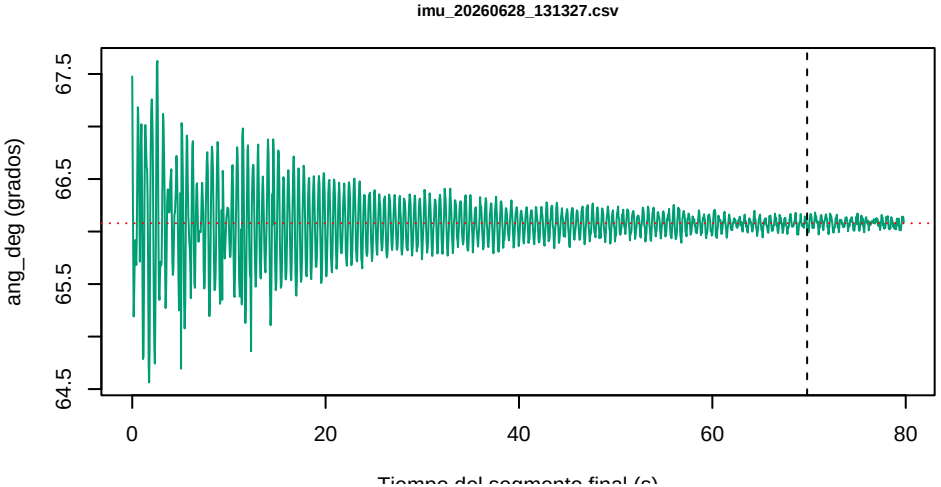

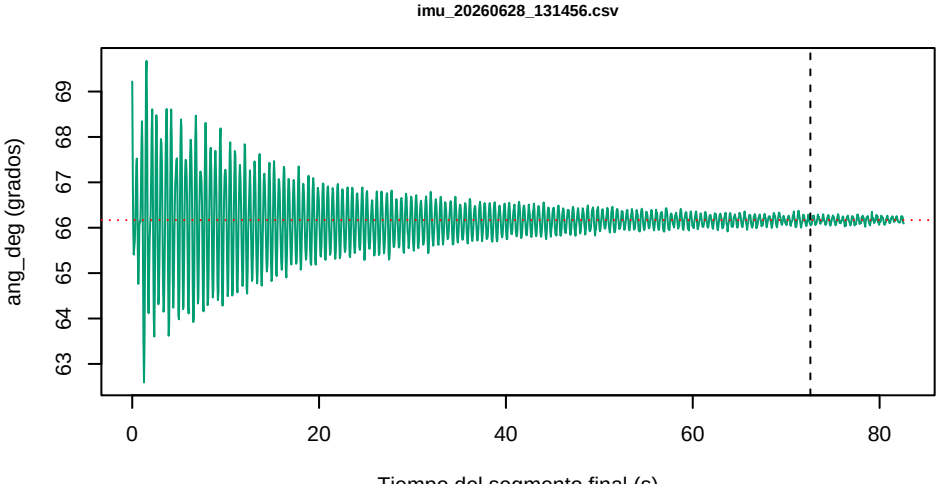

G2 − ultimo segmento temporal
Linea vertical: ventana final de 10 s
Linea roja: media terminal
Grafico reducido; calculos con todas las muestras
No se interpolan huecos.

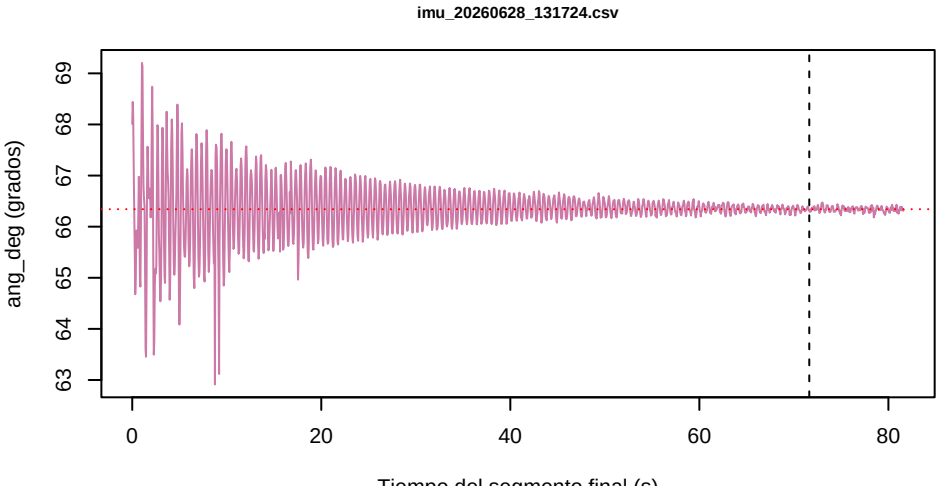

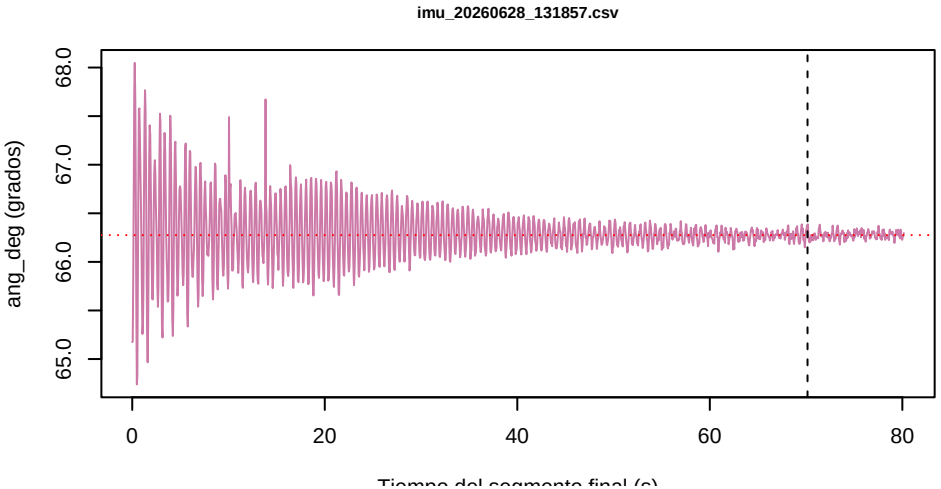

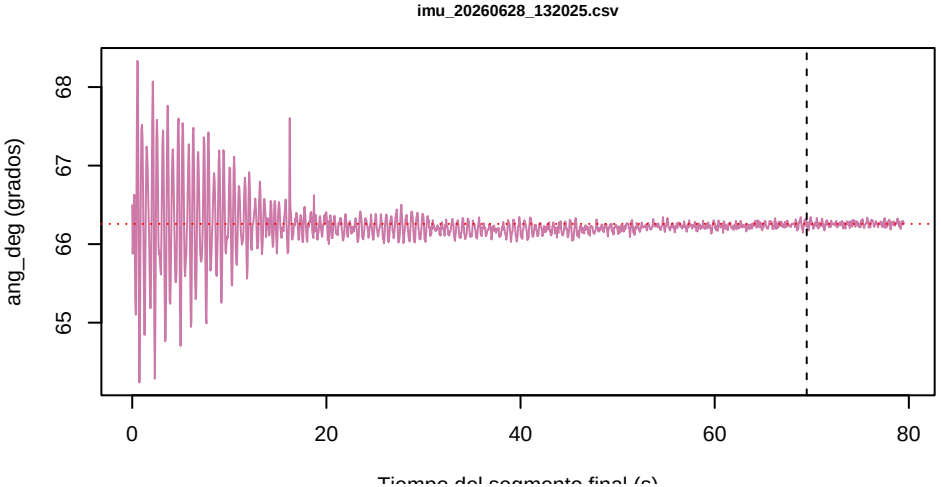

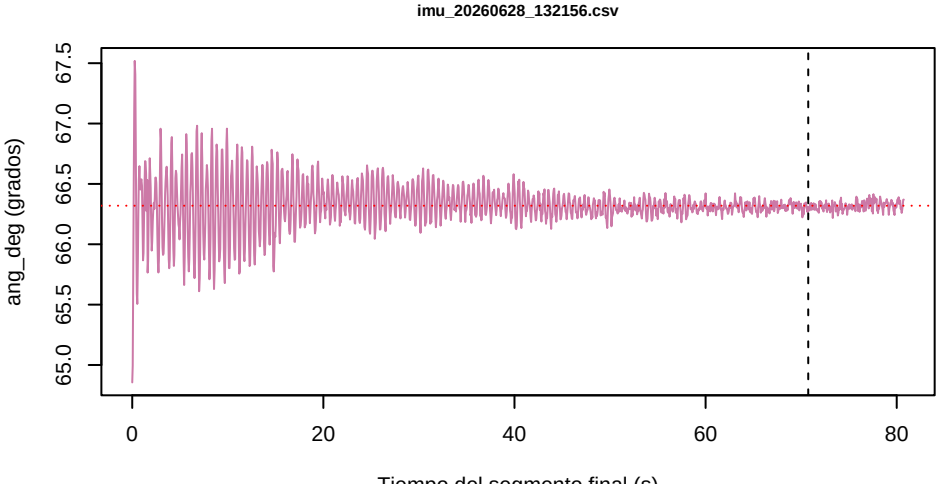

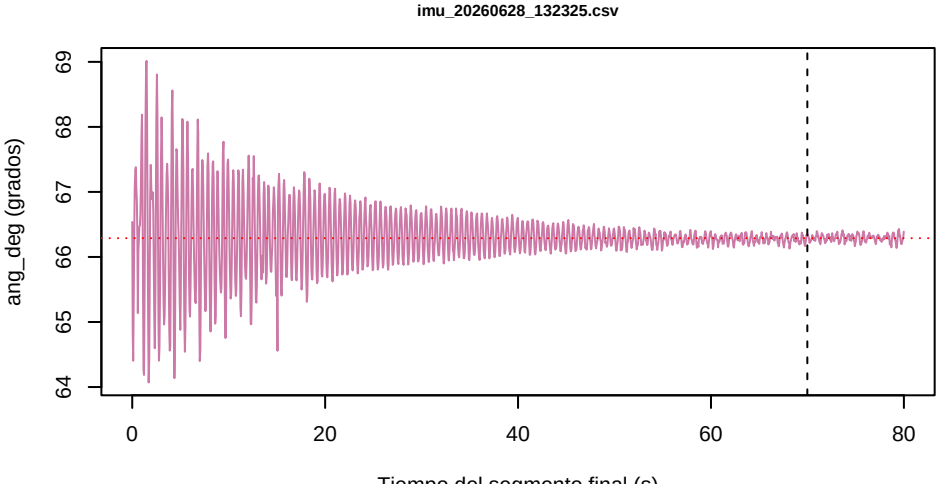

G3 − ultimo segmento temporal
Linea vertical: ventana final de 10 s
Linea roja: media terminal
Grafico reducido; calculos con todas las muestras
No se interpolan huecos.

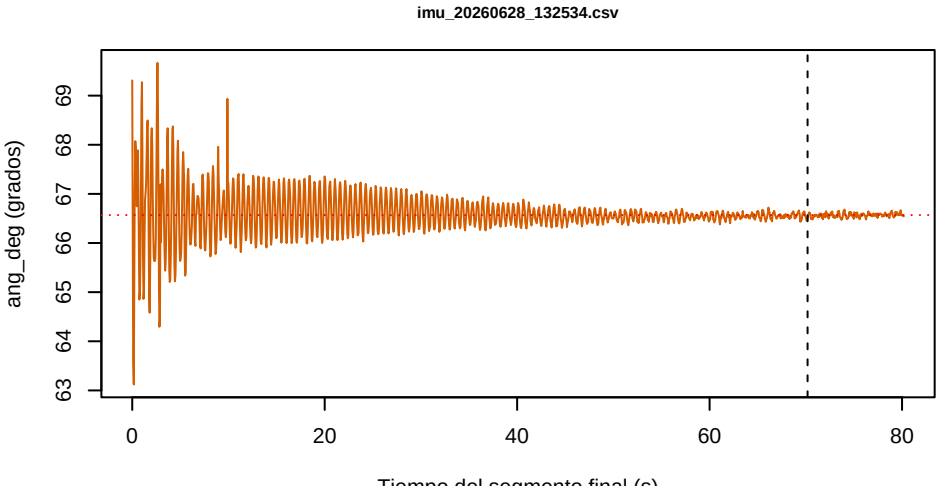

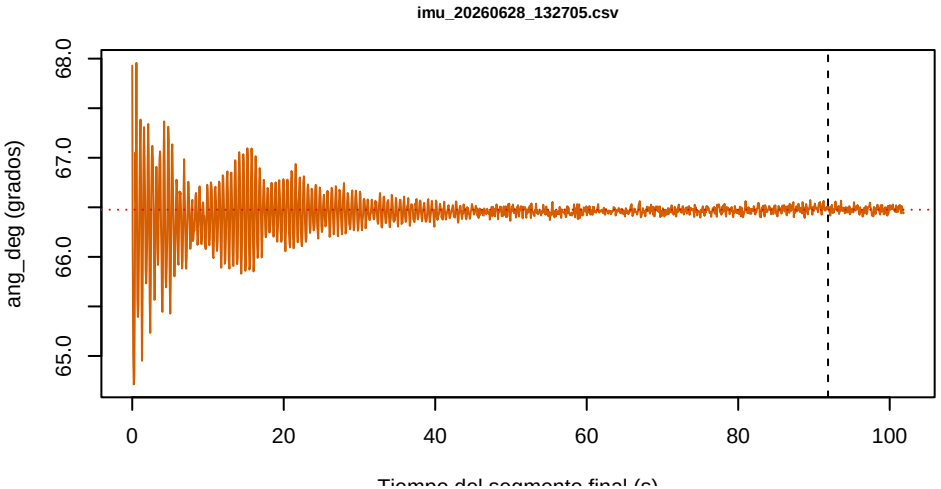

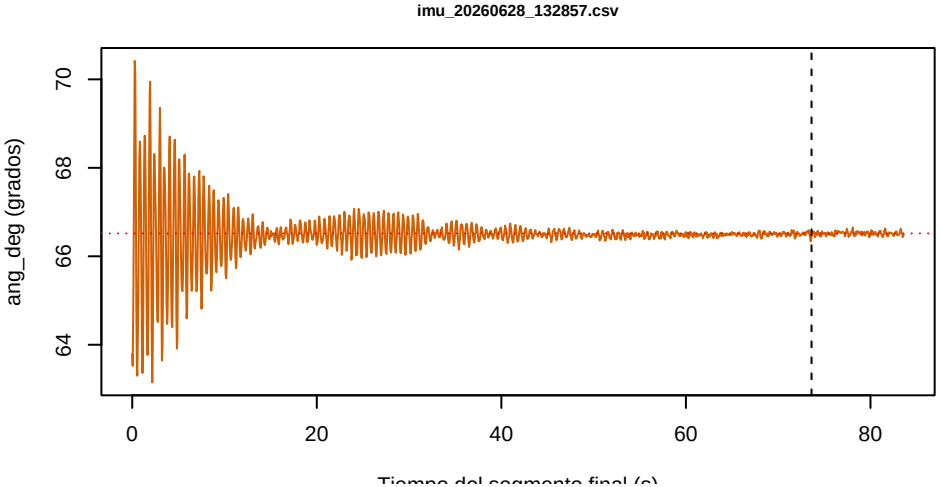

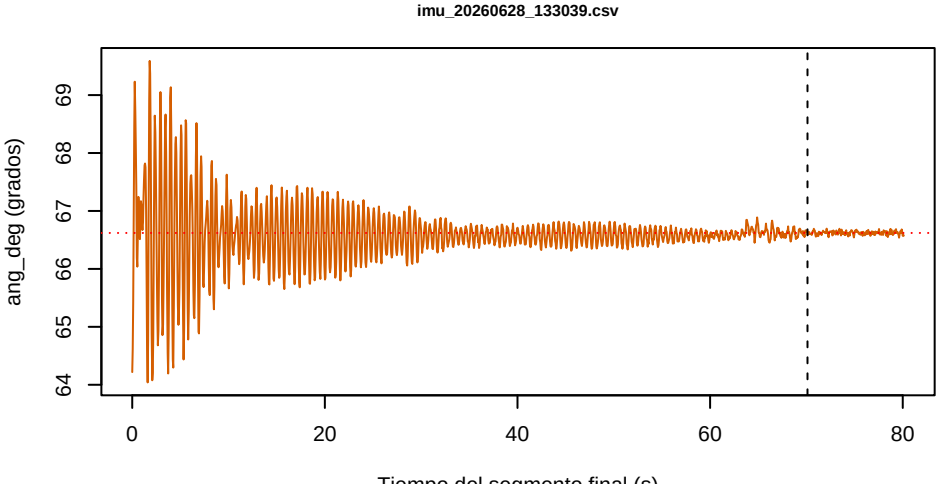

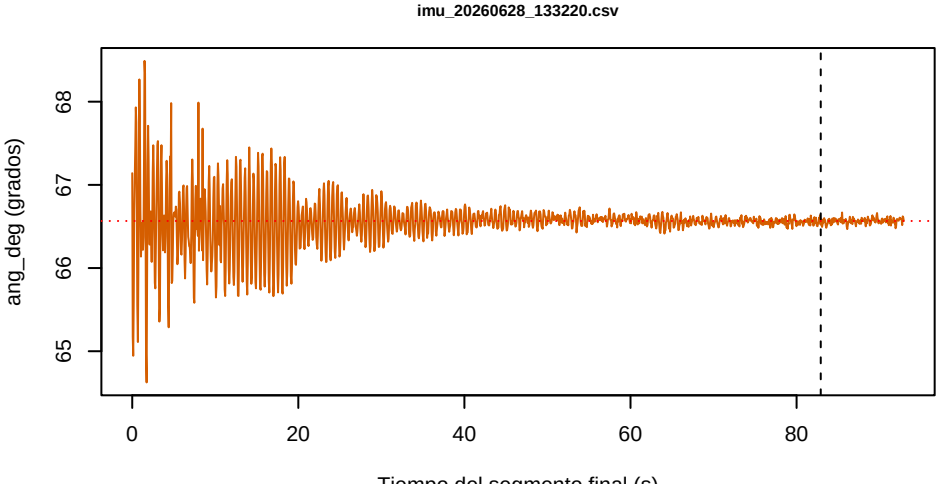

G4 − ultimo segmento temporal
Linea vertical: ventana final de 10 s
Linea roja: media terminal
Grafico reducido; calculos con todas las muestras
No se interpolan huecos.

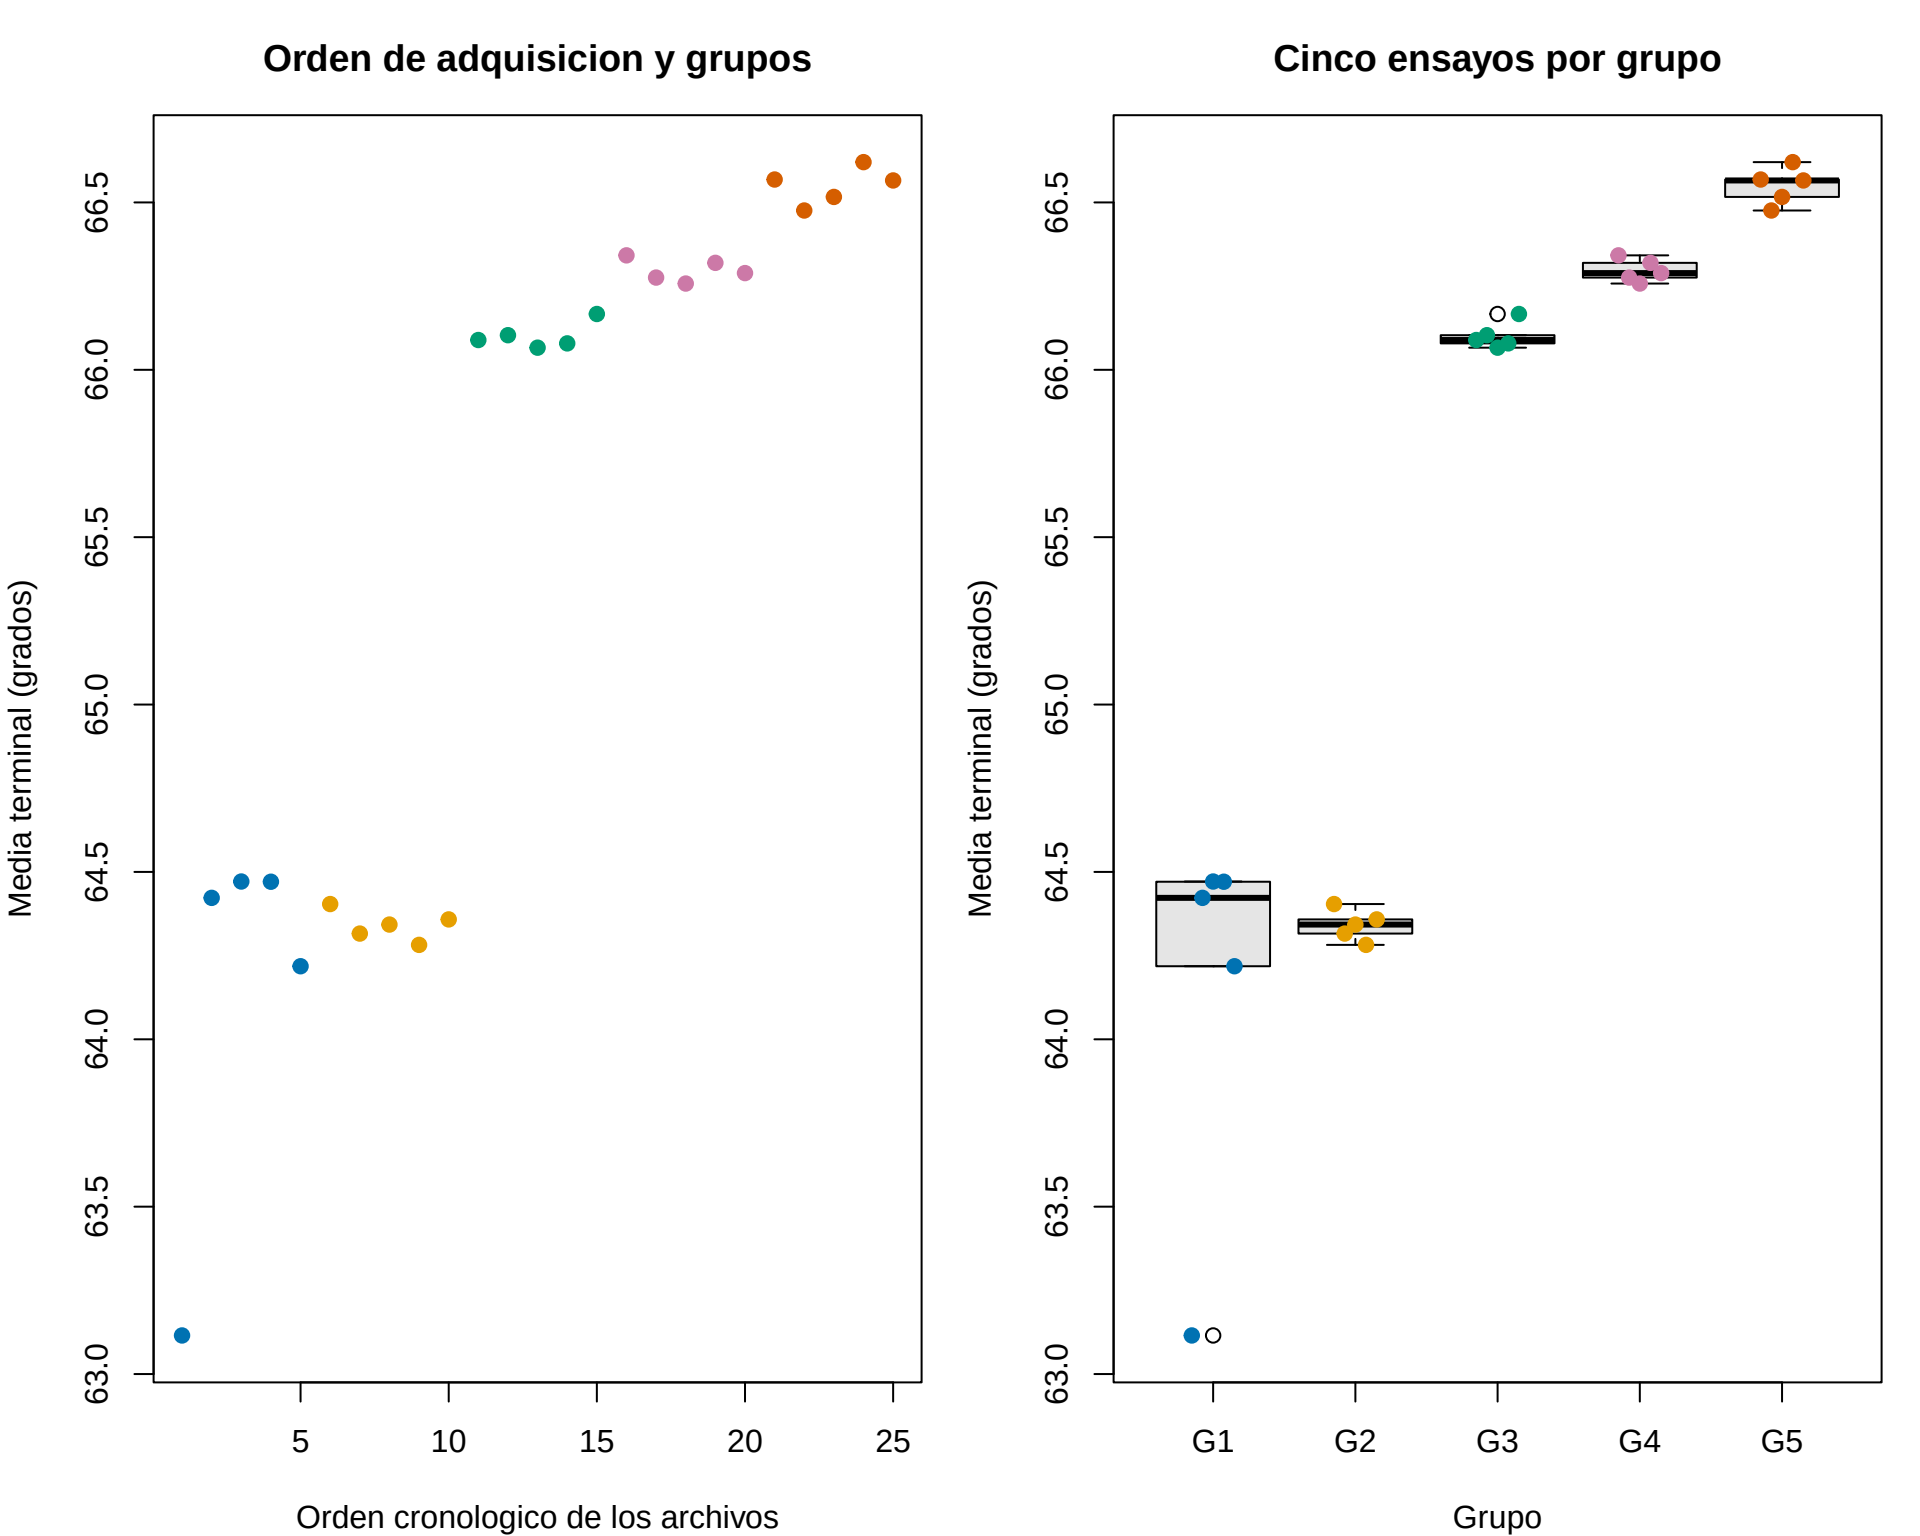

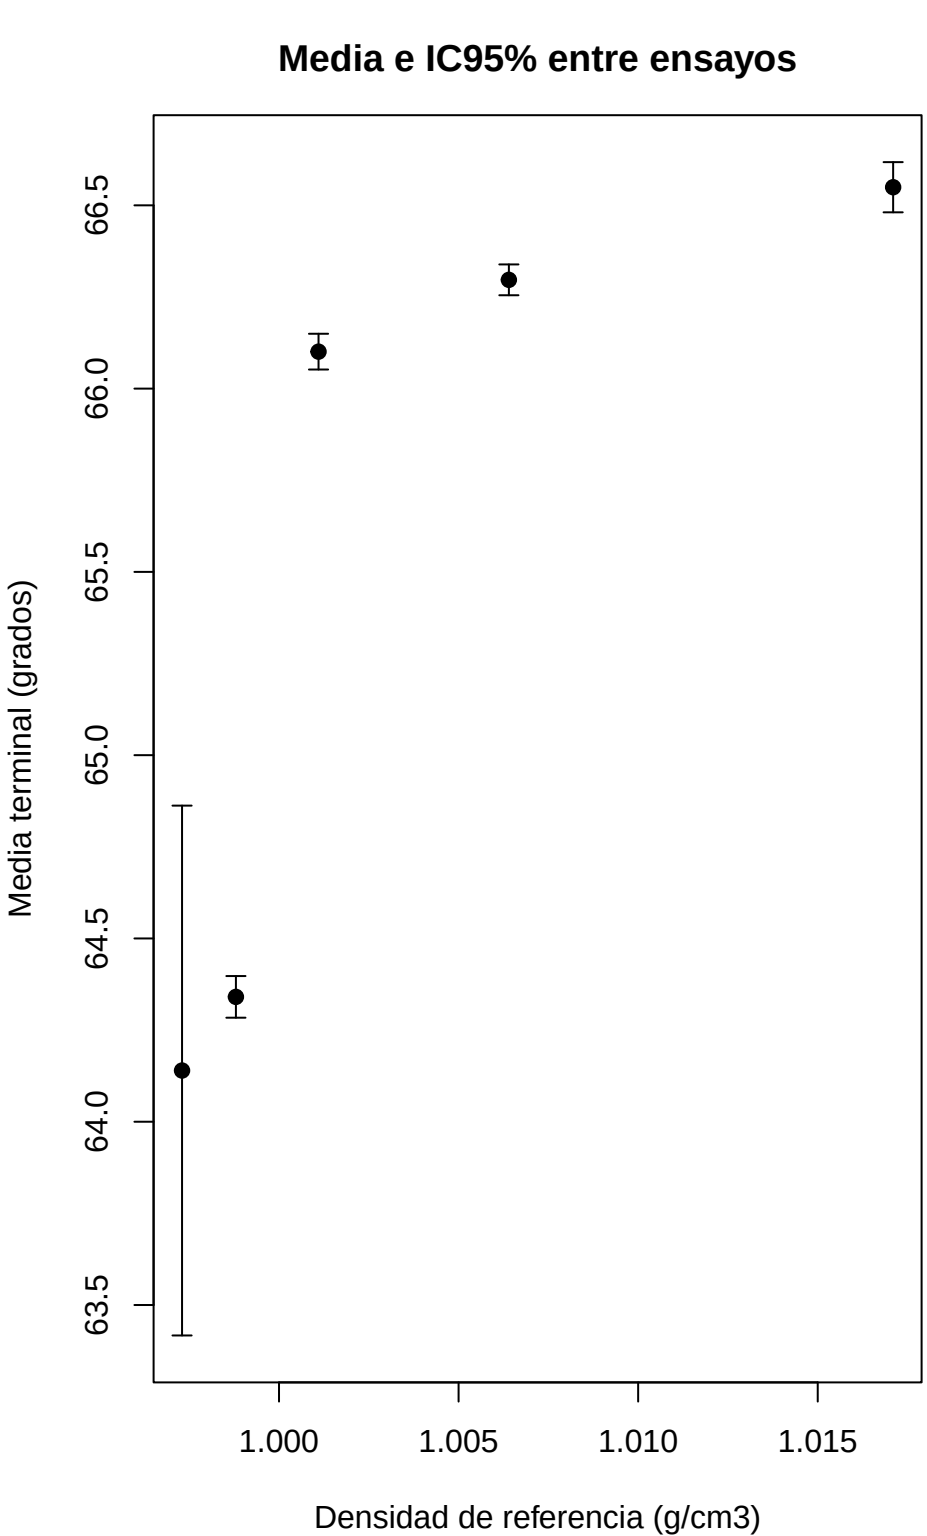

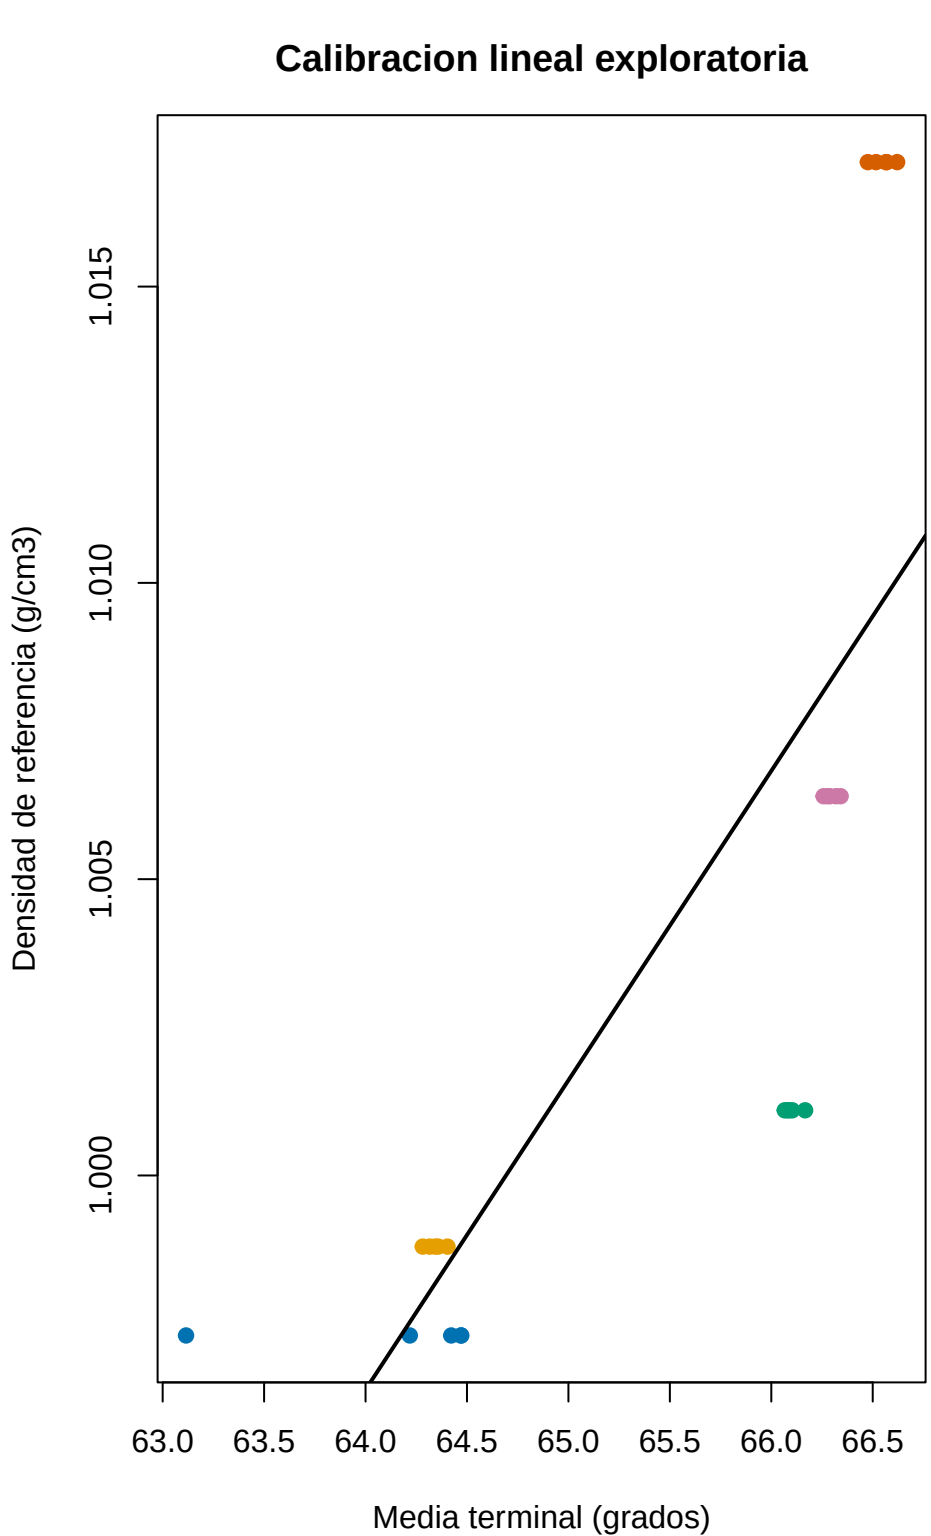

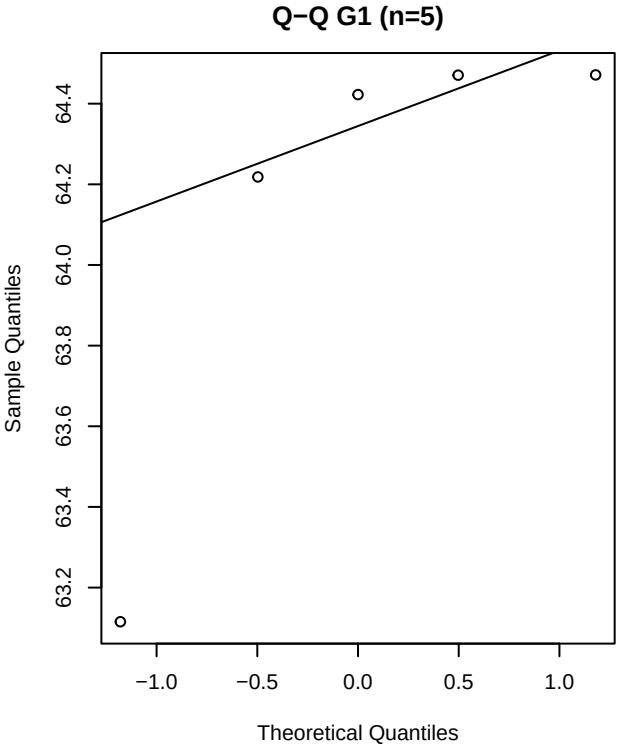

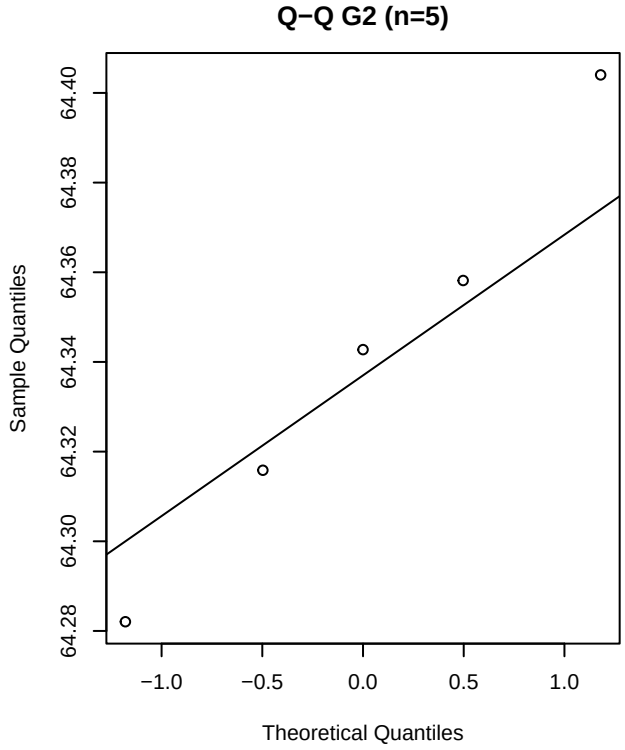

G5 − ultimo segmento temporal
Linea vertical: ventana final de 10 s
Linea roja: media terminal
Grafico reducido; calculos con todas las muestras
No se interpolan huecos.

n=5 limita el diagnostico de normalidad.
No se demuestra independencia con un test.
